WHAT IS COMMUNITY VISIONING?

"Purpose of Life Visioning is to raise the group's consciousness from mediocrity to supreme elegance."

~Michael B. Beckwith, Life Visioning

Purpose: Science of Mind Founder, Ernest Holmes reminds us, We draw to ourselves what we believe, what we think, what we do and how we feel. We use our collective **Intuition** to "Catch **Spirit's** highest Idea for EBCRS New Minister." And, to Energetically Attract to our community and to draw our community to the Spiritual Leader(s) for our collective highest good.

Have you ever asked yourselves, "What is the best mode of transportation for me?" Your imagination may think, "I want, a **Red Sports** car?" However, if you pause and invite Your **Intuition** to guide you, the outcome may be a surprise beyond your wildest dreams. Many of us use our imagination to acquire what our "ego" wants. **Visioning** invites us to open to our **Intuition** to allow God's intention to be revealed in /as our lives. **Visioning** invites us to raise our consciousness to transcend willfulness and dwell in higher vibration of Willingness to Spirit
