

REVEALING WHOLENESS

SPIRITUAL DEVELOPMENT EDUCATION

ONLINE

Thank you for joining our class to learn Traditional Chinese health practices; chi gong, breathing, chanting, energy flow in the body, chakras, and moving with ease.

Revealing Wholeness will expand your current knowledge of Science of Mind Principles and Practices through studying the interrelationship between Spirit, Mind, and Body. This course is based on the principles of Science of Mind as well as current research in the scientific fields of medicine and quantum physics. You will also employ spiritual practices to apply these ideas in your own daily life.

Learn to attract and be the vibrational match to manifest radiant health, wealth and longevity. Move with ease and flexibility, wellbeing and peace of mind. Have more energy to live your best life in 2023.
