ABOUT THE FACILITATOR

Rev Dr. Ona Afrae has been a licensed practitioner with East Bay Church of Religious Science for over 14 years and is currently a licensed minister.

Rev. Ona believes in the body's ability to heal itself and utilizes her expertise to assist in the process. Through listening to the body and thoughtful communication she has a collaborative approach of reaching the specific goals of her clients. She combines that notion with clinical education in order to provide a thorough, spiritual-centered treatment.
